<ul style="list-style-type: none">Conducted training sessions, including preparing and correcting vocabulary tests and mock exams for TOEFL & IELTSKept track of students' learning statuses and helped them make individualized study plans catering to their needsMade learning reports for each student and connected with parents to provide feedback.	

SKILLS

Data Analysis and Computational Skills

R, Stata, SPSS, Python; Data Cleaning, Regression Analysis, Causal Inference, Data Visualization, Longitudinal and Panel Data Analysis, Functional Data Analysis (FDA), Dynamic Time Warping (DTW)

Academic Research and Methodology

Literature Review, Social and Behavioral Experimental Design, Survey Design, Statistical Modeling, Academic Writing, Research Reporting, Training & Mentoring

Professional and Creative Skills

Crisis Response, Event Organization, Poster Design, Video Editing, Marketing & New Media Promotion

Language Skills

Mandarin and Shanghainese (Native), English (Fluent, Academic Proficiency), Cantonese (Fluent)
